

## Highlands Pool...Opens with a SPLASH!!!

Please see some minor changes to our Pool Rules:

**Signing-in** – All members and guests will be asked to sign in themselves and their member number on the spreadsheet. Parents, please sign in for your children and their guests.

**Kids Break** – Kids break (formerly known as adult swim) will be on the top of the hour for 10 minutes. This gives all children a chance to rest, take a restroom break and get a snack from the snack shack. Note: we've shortened the break from 15 minutes to 10! More swimming time!!

**Swim Test** – All kids under 13 will be swim tested and added to our 'pass list' if they pass the test. Once they have passed the swim test, they we will issue a wristband each time they visit and will not have to retake the test at each visit.

**Snack Shack** – The snack shack is open! We've got lots of yummy and refreshing treats! We only accept cash at this time.
